

## **Tatyana Arieta**

RPN

**Registered Practical Nurse**

Tatyana is a Registered Practical Nurse with 10 years experience focused in Primary Care and a passion for disease prevention and health education. Before joining the CarePoint Health Team, she worked at Mount Sinai Family Health Team and Fertility Clinic in Vaughan providing phlebotomy and support for primary care physicians. Previous to this, Tatyana worked in primary care at Summerville Family Health Team in Mississauga and other private clinics in the GTA.

Tatyana graduated from Humber College in 2009 and has additional certifications in Phlebotomy and IV Therapy and Adult Health Assessments.

She is fluent in Tagalog, Visaya and Chavacano.
