

Katie Bartlett

RPN

Registered Practical Nurse

Katie is a Registered Practical Nurse with experience in assisting individuals with various Endocrine disorders.

Before joining the CarePoint Health Team, she worked at the Thyroid and Hormones Endocrinology Center in Oakville providing support to the Endocrinologist and multidisciplinary team. She is passionate about contributing to the health of her community through health promotion and disease prevention.

Katie graduated from Centennial College in 2014 and has completed additional certification in Phlebotomy and Intravenous Therapy.
