

## **Hamdi Abdulkadir**

RPN

**Registered Practical Nurse**

Hamdi is a dedicated Registered Practical Nurse with nearly four years of experience in community health, public health, and acute care. She completed her Practical Nursing Diploma at Seneca College and earned her Bachelor of Science in Nursing from McMaster University.

Hamdi has played an integral role in public health initiatives, including mass vaccination programs across the Region of Peel, school-based immunization programs, and community health promotion efforts. As a Public Health Nurse and Clinical Lead, she collaborated with schools and community organizations to address health disparities and implement health education initiatives.

With experience in acute care settings, Hamdi is skilled in patient assessment, clinical care, and working with interdisciplinary teams. She is passionate about women's health and improving health outcomes through compassionate, client-centered care, and advancing public health initiatives.
