

Dr. Nancy Bahl

C. Psych

Clinical & Equity Consultant

Dr. Nancy Bahl is a Clinical Psychologist at Carepoint Health. She serves as a Clinical and Equity Consultant in this role.

Dr. Bahl provides clinical consultation to therapists within the Ontario Structured Psychotherapy Program and delivers individual and group cognitive behavioural therapy.

Dr. Bahl completed her PhD in clinical psychology at the University of Ottawa and went on to complete her pre-doctoral internship at Ontario Shores Centre for Mental Health Sciences. During her internship, she received comprehensive training in psychological assessment and treatment, and worked with folks living with depression, anxiety disorders, post traumatic stress, and psychosis.
