

Farah Kislasko

RPh, BSc Phm, CDE

Pharmacist

Farah completed her Bachelor of Medical Science from Western University and Bachelors of Science in Pharmacy from the University of Toronto. She has worked as a community pharmacist and designated manager at Shoppers Drug Mart and in 2021 became a clinical pharmacist at Toronto General Hospital. In this role, Farah specialized in caring for patients being discharged from the hospital as well as assisting in the care of patients in the infectious disease unit.

Farah is a certified diabetes educator (CDE) and an APPE/EPE preceptor for University of Toronto pharmacy students. She also served as a clinical assessor at the University of Toronto for pharmacy student practical labs.

Farah's interests are in opioid agonist therapy, smoking cessation, and managing drug therapy in chronic kidney disease patients.
